

The background of the entire page is a microscopic image of pancreatic islets, showing a network of dark green vessels and lighter green islet cells. The text is overlaid on this background.

Pancreas
2000

PANCREAS 2000

COURSE 11 – Meeting 3

**Premalignant Lesions and
Cystic Tumors**

Meeting 3

April 3 – 5, 2025

Venue: Mercure Hotel President Lecce

Lecce, Italy

Agenda

Day 1 | Wednesday, April 2

From 15:00

Mentors and participants arrive

From 20:00

Informal dinner

Day 2 | Thursday, April 3

08:00

Breakfast

Mentors/participants

From 10:30

Mentors and participants arrive

12:30 – 14:00

Lunch

All

14:00 – 14:15

Welcome and agenda

Güralp Ceyhan,
Giovanni Marchegiani
Marcello Spampinato

14:15 – 15:15

Leadership skills + training

Maria Holmström

15:15 – 16:15

Project group work

All participants

16:15 – 16:45

Coffee

All

16:45 – 18:30

Project presentations

All participants

18:30 – 19:30

Private time

All

19:30

Dinner in Gallipoli

All

Agenda

Day 3 | Friday, April 4

07:15 – 8:00	Pancreas Fun Run	Giovanni Marchegiani
08:00 – 8:45	Breakfast	All
08:45 – 09:30	Medical Writing	Joost Drenth
09:30 – 10:00	Pancreatic cystic neoplasms: radiology	Ilaria Zecca
10:00 – 10:30	Pancreatic cystic neoplasms: EUS	Elisa Stasi
10:30 – 10:50	Coffee	All
10:50 – 12:30	Project work	All
12:30 – 13:45	Lunch / Mentor's lunch	All / Mentors
13:45 – 14:30	Serous and mucinous cystic pancreatic neoplasms	Roberto Salvia
14:30 – 15:15	The exposome of premalignant pancreatic neoplasms	Gabriele Capurso
15:15 – 16:00	Coffee	All
16:00– 16:45	Lecce case study presentations on IPMNs	Marcello Spampinato con D'Ugo / Marchese
16:45 – 17:30	Special Lecture "Sensing cell-cell interaction heterogeneity in 3D tumor models towards precision medicine"	Loretta del Mercato
17:00 – 19:30	Tour guide Lecce	All
19:30	Dinner and Party	All

Agenda

Day 4 | Saturday, April 5

07:30 - 8:30	Breakfast / Check-Out	
08:30 – 8:45	Reflections	Güralp Ceyhan Giovanni Marchegiani
8:45 - 9:15	Stereotypes about Italians: drinking espresso, eating spaghetti and keep watching IPMNs	Giovanni Marchegiani
9:15 - 9:45	The analogy of IPMN and PNETs: from “surgically aggressive” to “biologically balanced”	Massimo Falconi
9:45 - 10:15	2 Case presentations by mentees on IPMN and cystic tumors	Mentees P2000 (coordinated by Laura Maggino)
10:15 – 10:30	Coffee	All
10:30 – 12:30	Project work	All
12:30	Lunch and departures	

Course Leadership

Güralp Ceyhan, MD, PhD

Professor of Surgery, Chairman and Head of HPB Surgery, Acibadem University Istanbul, Turkey

Giovanni Marchegiani, MD, PhD

Assistant Professor, Hepato-Biliary Pancreatic and Liver Transplant Surgery, Padova University Hospital, Padova, Italy

Faculty and Mentors

Ekin Demir, MD, PhD

Professor of Surgery, Technical University of Munich, Munich, Germany

Johanna Laukkarinen, MD, PhD

Professor of Surgery Tampere University Hospital, Finland

Matthias Löhr, MD PhD

Prof. of Gastroenterology and Hepatology Karolinska Institutet, Stockholm, Sweden

Laura Maggino, MD

Dept. of General Surgery, Mater Salutis Hospital, Legnago – Verona, Italy

Daniel Öhlund, MD, PhD

Assistant Professor in Oncology Wallenberg Molecular Medicine Fellow and Wallenberg Clinical Fellow Umeå University, Umeå, Sweden

Kasper Overbeek, MD, PhD

Dept. of Gastroenterology and Hepatology, Erasmus Medical Center, Rotterdam, Netherlands

Ivonne Regel PhD

Principal Investigator, Laboratory Lead University Clinic Munich Campus Grosshadern Munich, Germany

Sara Regné, MD, PhD

Dept of Surgery, Institution of Clinical Sciences, Skåne University Hospital, Lund University, Malmö, Sweden

Miroslav Vujanovic, MD, PhD

Karolinska Comprehensive Cancer Centre, Karolinska University Hospital Stockholm, Sweden

Statistics and Leadership

Patrick Maisonneuve, PhD

Director, Unit of Clinical Epidemiology, Division of Epidemiology and Biostatistics European Institute of Oncology Milan, Italy

Maria Holmström PhD

Internal Consultant for Management and Leadership, Örebro University Örebro, Sweden

Guest Faculty

Gabriele Capurso, MD, PhD

Professor of Gastroenterology
Chief of Clinical Research, PancreatoBiliary
Endoscopy and EUS Division
Vita Salute San Raffaele University
Milan, Italy

Joost Drenth, MD, PhD

Professor, Faculty of Medical Sciences
Chair: Molecular Gastroenterology &
Hepatology
Radboud Universiteit, Nijmegen
The Netherlands

Massimo Falconi, MD, PhD

Professor of Surgery
Head Pancreas Translational and Clinical
Center
IRCCS Ospedale San Raffaele, Milan, Italy

Roberto Salvia, MD, PhD

Professor of Surgery
Unit of General and Pancreatic Surgery
The Pancreas Institute Verona
Verona, Italy

Elisa Stasi, MD, PhD

Senior Consultant Gastroenterology and
Operative Endoscopy
Department of Surgery
Azienda Sanitaria Locale (ASL)
Ospedale "Vito Fazzi"
Lecce, Italy

Loretta Del Mercato, MD, PhD

Senior Researcher
Institute of Nanotechnology of CNR
Coordinator of 3DCellSensing Group
Lecce, Italy

Stefano D'Ugo, MD, PhD

Senior Consultant, HPB Surgery
Department of Surgery
Azienda Sanitaria Locale (ASL)
Ospedale "Vito Fazzi"
Lecce, Italy

Tiziana Marchese, MD, PhD

Department of General Surgery
Azienda Sanitaria Locale (ASL)
Ospedale "Vito Fazzi"
Lecce, Italy

Marcello Spampinato, MD, PhD

Head, Department of General Surgery and
Sub-Specialty
Azienda Sanitaria Locale (ASL),
Ospedale "Vito Fazzi"
Lecce, Italy

Ilaria Zecca, MD, PhD

Department of Radiology
Azienda Sanitaria Locale (ASL)
Ospedale "Vito Fazzi"
Lecce, Italy

Disclosure Statement

- The Pancreas 2000 program consists of state-of-the-art lectures, interactive sessions, and group project work covering all aspects of pancreatology
- The course and session content have been developed and are continuously being refined by the Pancreas 2000 Course Leadership and mentors, a team of highly experienced and internationally renowned pancreatologists
- The Pancreas 2000 Course Leadership is committed to ensuring scientific rigor and objectivity throughout each course and session. Pancreas 2000 is supported by unrestricted educational grants from a number of sponsors, including the pharmaceutical industry
- Sponsors have no involvement in the selection of faculty, Course Leadership, or program content
- Furthermore, the Pancreas 2000 mentors and Course Leadership are required to disclose any relevant financial relationship(s) or commercial interest(s) to the European and national CME governing bodies, as applicable
- The Pancreas 2000 faculty, Course Leadership, and guest speakers do not receive any compensation (honoraria) for their mentoring or teaching activities
- Meals, accommodation, and travel expenses are covered by unrestricted educational grants provided by sponsors
